

BUCKS COUNTY COMMISSIONERS

March 3, 2021

The Regular Meeting of the Bucks County Board of Commissioners was held today at 10:30 am, in the Bucks County Commissioners’ Meeting Room, 55 E. Court Street, Doylestown, Pennsylvania. In attendance were Commissioner Diane M. Ellis-Marseglia, Chair; Commissioner Robert J. Harvie, Vice Chair; and Commissioner Gene DiGirolamo. Commissioner Ellis-Marseglia welcomed everyone to the meeting and Bill Mitchell, Executive Director of Parks & Recreation, led the Pledge of Allegiance.

Commissioner Marseglia said they are using the new audio/visual system for the meeting this morning, noting that it was part of the transition team’s recommendation to be more visible and accessible to the public.

PRESENTATIONS & PROCLAMATIONS

Commissioner Marseglia announced that Mr. Mitchell will be retiring in April, after almost 32 years with the county. The Commissioner wished Mr. Mitchell well, noting his institutional knowledge of the historic properties and his help in expanding the park system to what it is today. General Services Director Kevin Spencer said a few words about his experience working with Mr. Mitchell. He spoke about Mr. Mitchell’s numerous contributions as a steward of the parks and the numerous programs he has developed over the years. He also touched on some highlights and unique features of the Bucks County park system. Mr. Spencer presented a sign that will be placed at the Park Administration Building, dedicating it as the “William M. Mitchell Park Administration Building.” Mr. Mitchell said a few words and thanked everyone for the recognition. Commissioner DiGirolamo thanked Mr. Mitchell for his years of hard work and dedication.

The Commissioners proclaimed March 2021 as “Intellectual and Developmental Disabilities Month” to support, encourage, and recognize the many accomplishments of county citizens with developmental disabilities. Mike Kudla, Chief Financial Officer of The Arc Alliance, accepted the proclamation and thanked the Commissioners for their support.

In honor and recognition of Intellectual and Developmental Disabilities Month, Chief Clerk Gail Humphrey spoke about a new project they are working on in the Board of Elections. They have put together a team to create a video and other training opportunities for election workers on ADA compliant voting machines, and to build awareness of some of the challenges faced by some of the members of the community with disabilities. Working with them on the project is Kristen Farry from Woods Services. Ms. Farry spoke briefly about her work on behalf of people with intellectual disabilities, autism, and traumatic brain injuries. She said she is excited to be working with the Board of Elections to improve public perception and to help identify where improvements are needed.

Item 14b – Commissioner Harvie provided information about this free energy audit to determine what the county can do to save energy and explore opportunities for alternative energy.

Items 15a & b – Chief Operating Officer Margie McKevitt said she was grateful to both facilities for agreeing to be vaccination sites for the county. They should be up and running by the end of the month and will be open from Tuesdays through Saturdays from 11 am to 7 pm. CHIEF OPERATING OFFICER REPORT

Ms. McKevitt advised that the Bucks County Economic Development Corporation and the County are working in partnership with the Bucks County Redevelopment Authority (BCRDA) and the Visit Bucks County (VBC) to administer the COVID-19 Hospitality Industry Recovery Program (CHIRP). Electronic grant applications will be available on the BCRDA’s website and will be accepted from March 15th through April 2nd. Restaurants, hotels, and other businesses that sell food and beverages are eligible to apply. The grant awards will range from \$5,000 to \$50,000. Please contact Deanna Giorno, Bucks County Economic Development Program Manager, with any questions at dmgiorno@buckscounty.org.

The rental assistance program is up and running. Housing and Community Development Director Jeff Fields will be presenting information at the March 17th commissioners’ meeting.

SOLICITOR REPORT

Solicitor Joe Khan shared good news relative to the Commissioners request last year that the new legal team improve the quality and efficiency of county legal services. Mr. Khan reported that, in addition to the positive feedback received regarding the quality of services they have been providing for the past year, they have also made strides with efficiencies. After making a concerted effort to bring down outside legal costs by bringing more of the work in-house, they have stayed under budget and brought spending down for 2020 by 25%. This translates to \$400,000 not being spent on outside counsel, but instead being used for the important work being done by the county.

COMMISSIONER COMMENTS

Commissioner Harvie provided an update on the COVID-19 vaccine situation. Regarding the shortages in supply, he pointed out that it takes a long time to produce the vaccine. He is glad that Johnson & Johnson has received approval and that they are working with Merck to increase production. Shipments to the county have increased recently and it is anticipated that next week will show an increase as well. The county is moving to distribute as soon as possible, and they are hopeful about the two new vaccination sites in Quakertown and Bensalem. The commissioner said they are working through issues with the vendor and the problems with inaccurate data being provided by some of those who registered. He advised that mailings are going out to those people with a request that they validate their information. Since email is the main source the county has to differentiate people registering, only one email address can be used per person. The commissioner said he is glad for the recent support of congressional representatives and the media, and he appreciates those who are being patient as they work through this vaccination process.

Regarding the proclamation for Intellectual Disabilities Awareness, Commissioner DiGirolamo spoke about a hearing he had organized while working in Harrisburg that was prompted by proposed budget cuts to Human Services. He shared a story about an interaction he had with a disabled woman that made an impression on him. He noted the incredible job that the Human Services division does here in Bucks County.

PUBLIC COMMENT

Ms. McKevitt responded to a question from Mr. Warren regarding an item discussed at the Salary Board Meeting.

ADJOURNMENT

Upon motion of Commissioner DiGirolamo, seconded by Commissioner Harvie, with the vote being 3-0, the meeting was adjourned.

The next public meeting of the Bucks County Board of Commissioners will be held on Wednesday, March 17, 2021, at 10:30 a.m. in the Bucks County Commissioners’ Meeting Room.
